MICHELIN

THE MICHELIN® X® LINE ENERGY D TIRE

SmartWay® verified fuel economy with leading tread life and traction in an energy drive tire for line haul applications.

Fuel Efficiency⁽¹⁾ –

Fuel economy with wear resistance

• Dual Energy Compound Tread

Fuel and Mileage Layer

– Precisely balanced tread compound delivers fuel efficiency as well as exceptional wear properties (Top Layer).

Fuel and Durability Layer

– Cool running tread rubber minimizes internal casing temperatures for low rolling resistance and extended casing life (Bottom Layer).

20% Longer Tread Life⁽²⁾ –

More miles

• Dual Energy Compound Tread

Top layer improves wear resistance.

• Wider footprint⁽²⁾ and solid shoulder

Distributes force for reduced wear.

• Matrix siping

Provides inter-locking action which offers excellent traction and even wear.

Driver Confidence –

Outstanding traction with Matrix siping

• **Matrix siping** provides inter-locking action which offers excellent traction and even wear.

• **Zig-Zag groove walls** provide optimized biting edges and excellent water and snow evacuation.

• **Full depth sipes** provide excellent traction throughout the life of the tread.

Maximum Retreadability –

3-Retread Limited Warranty⁽³⁾

Fight casing fatigue:

• Enhanced Inner Liner

Delivers extra durability.

• Robust Bead Area

Reduced mounting and demounting damage.

• Rectangular Bead Bundle

A Michelin exclusive - simulates a solid steel rod “strapping” the tire onto the wheel. This design stabilizes the entire bead region and minimizes fatigue in order to extend casing life.

7 Year 7 YEAR or 700,000 MILE or 3-RETREAD LIMITED WARRANTY⁽³⁾

Size	Load Range	Catalog Number	Tread Depth 32nds	Max. Speed (*) mph	Loaded Radius		Overall Diameter		Overall Width (‡)		Approved Wheels (Measuring wheel listed first.)	Min. Dual Spacing (‡)		Revs Per Mile	Max. Load and Pressure Single				Max. Load and Pressure Dual

Note: Wheel listed first is the measuring wheel.

(1) Based on industry standard rolling resistance testing of comparable tires or retreads. Actual results may vary, and may be impacted by many factors, to include road conditions, weather and environment, driver performance, etc.

(2) Compared to the MICHELIN® XDA® ENERGY tire.

(3) 7/7/3 Manufacturer's Limited Casing Warranty: 7 Year or 700,000 Mile or 3-Retread Limited Warranty for MICHELIN® X® LINE ENERGY D tire when retreaded by an authorized Michelin Retread Technologies (MRT) Dealer only. See limited warranty for details.

(*) Exceeding the lawful speed limit is neither recommended nor endorsed.

(‡) Overall widths will change 0.1 inch (2.5 mm) for each 1/4 inch change in wheel width. Minimum dual spacing should be adjusted accordingly.

MICHELIN® tires and tubes are subject to a continuous development program. Michelin North America, Inc. reserves the right to change product specifications at any time without notice or obligations.

MNA, Inc. continually updates its product information to reflect any changes in Industry Standards. Printed material may not reflect the current Load and Inflation information. Please visit www.michelintruck.com for the latest product information. The actual load and inflation pressure used must not exceed the wheel manufacturer's maximum conditions. Never exceed a wheel manufacturer's

limits without permission from the component manufacturer.
