

MICHELIN X MINE D2 L5 HR EXCELLENT PRODUCTIVITY IN HARD LOADING CONDITIONS

**REACH A HIGH LEVEL
OF PRODUCTIVITY AND
UPTIME IN VERY HARD
WORKING CONDITIONS.**

MICHELIN X MINE D2 L5 HR

55/80 R 57 – 60/80 R 57

**EXCELLENT
PRODUCTIVITY
IN HARD LOADING
CONDITIONS**

RESISTANCE TO IMPACTS & CUTS

THE MICHELIN X MINE D2 L5 HR

uses an optimized compound to withstand hard conditions and to slow tire wear.

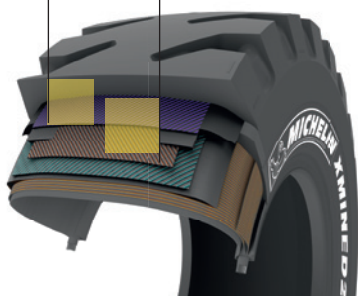

■ Exceptionally robust in hard conditions thanks to its tread design

A PARTICULARLY RESILIENT CASING WITH

Reinforced protection ply

Several specific steel belts constitute a tire that is very resistant to punctures

A substantial crown and robust shoulders reinforced with a protection band make a tire that is particularly resistant to impact ruptures, cuts and tread tearing

A very high tread depth of 118 or 119 mm⁽¹⁾

(1) According to tire dimensions
