CUSTOMER FEEDBACK

Remko VEGTER
Technical manager Port de Rotterdam
Octobre 2018

★★★★★

«The biggest advantage of the TireCare TPMS solution is the constant monitoring of internal tire pressure as well as temperature. The system alerts you immediately if something is wrong.»

★★★★★

«We've tried several other systems, but this is the best one so far. It's very easy to use.»

★★★★★

«I recommend the MICHELIN Tire Care TPMS system to my colleagues because it is a reliable system and it saves tires.»
