MICHELIN

MICHELIN X[®] FORCE[™] ZL

MOBILITY

DRIVE ANYWHERE!

- Good traction in muddy conditions
- Good flotation on sand
- Pressure specific to each application
- Can be studded and chained with excellent handling

SAFETY

PUSH BACK THE BOUNDARIES

- High level of flexibility on and off road
- Good handling in winter conditions
- Strength and reliability in all situations
- Resistant to cutting and damage in the shoulder area

SUSTAINABILITY

KEEP YOUR TYRES FOR LONGER

- Good treadlife
- Even wear on roads and tracks
- Regroovable and retreadable (for some sizes only)

MICHELIN TECHNOLOGIES

Deep, open tread pattern and massive shoulders

- Excellent traction
- Highly resistant to accidental tears and cuts

Low operating temperature

- Allowing long distance to be covered at sustained speed

Strong sidewall

- Resistant to abrasion and accidental damage
- Designed to operate at various pressure to match conditions of use
