

**VAN TONDER TRANSPORT**  
DANIE VAN TONDER – DIRECTOR

Van Tonder Transport has got a long relationship with Michelin Since **1998**. We have been using **X Multi HD D** and tyre has given additional mileage of **10-15%**. It is always difficult to replace something which is already good with something better but in this instance, I definitely think that **X Multi HDD** is the tyre of the Future.

**REEF TANKERS**  
VIC FERREIRA – CEO

In **2015** we had been invited to attend Michelin Head office and was first time we were exposed to **X Multi HD D** Tyres and tyres features and benefits were explained to us. Our current experience with **X Multi HD D** has been positive and have seen about **20% - 25%** improvement.

**BAKERS SA LTD**  
NASEEM AMAJEE – FINANCE EXECUTIVE

Bakers S.A. Limited is one of the country's leading independent logistics companies that has grown into a large and successful organisation with an enviable service record. We have had a long standing partnership with Michelin which spans over **12 years**. In **2015** Bakers S.A. Limited had initiated the test phase for the **X Multi HD D** tyres which has outperformed the current product by approximately **20%**. We have realised the value-add in using the Michelin brand.
