**COVERAGE
AND DETAILS**

* \$1,000 limit (pre-approved) applies, per event, to fleets who are not onboarded and do not have a profile set-up with MICHELIN ONCall.

** If a disabled vehicle presents a safety risk to the driver and service provider during a breakdown event, it is the policy of our service provider to relocate the vehicle to a nearby safe haven to perform the required service. In this event, additional costs may incur for the relocation.
