140/80 - 18 M/C 70R

**TO BE USED WITH  
M02 BIBMOUSE**

*A GRIP ADAPTED TO THE NEEDS  
OF RALLY-RAID RIDERS.*

Thanks to a new tread pattern, this tyre provides better grip on soft ground, better braking and adapts to the changing conditions such as hard pack grounds.

The Michelin Desert Race Baja R TT offers a very good longevity even on the fast and hot stages.
