**THE JEREZ  
 CIRCUIT PLACES  
 THE TIRES UNDER  
 CONTINUOUS  
 STRESS**

It's true that the Jerez Circuit is not aggressive on our tires, but it does place them under continuous stress. This ongoing intensity led us, last season, to introduce a new, slightly harder front compound – and we made the right choice. On Friday alone, three riders broke the lap record! Despite unpredictable weather conditions that weekend, the return of dry conditions on Sunday highlighted the excellence and durability of our tires. In fact, the race lap record was broken just two laps before the chequered flag – a clear testament to the performance of our MotoGP™ tires. This year, beyond our excitement to be back in Europe for what promises to be a thrilling season, we are also delighted to reconnect with the Spanish fans, who always bring such energy and emotion to the event.
